

To the residents of Fort McMurray, Alberta. To our former residents who live there and to our family and friends working in the area please know our thoughts and prayers are with you all today and the days ahead as you journey through such a terrible time with the wild fire in the region.

When horrible things happen, what we really want to know is that people love us and are there for us. We want **you** to know that you are not alone, and not forgotten.

Newfoundlanders and especially Badgerites are a resilient people and although we are watching from far away please know people at home are thinking and praying for you.

Please do not lose hope in the face of difficulty, we are praying for hope in the face of your uncertainty and please believe there are better days ahead.

May God bless each of you and the entire Fort McMurray community,

Town of Badger
