

“Tomorrows Leaders” program is a program initiated by council on October 11th 2016. The new youth recognition initiative will consist of a page on our website that aims to celebrate and recognize youth in the community of Badger who have made extraordinary contributions in various areas such as sports and recreation, the arts and community involvement but more importantly to generate awareness of the value these contributions our youth are making in our community.

Nominate a deserving youth today by completing the form. Please submit your pictures and a note on why you feel your submission deserves to be recognized.

In the online nomination process nominators are asked to write your recognition recommendation using 100 words or less including description of the submission, and a picture of the youth you are nominating for recognition.

Once the nomination form and pictures are reviewed for eligibility, council will post the story for public viewing.

Tomorrow’s Leaders mission is to develop and empower youth to become collaborative leaders and productive members of our community.

Please join us in making “Tomorrows Leaders” a success !

TOMORROWS LEADERS
